Company Profile: Haq's Bay Automobiles Ltd.

EXECUTIVE SUMMARY

Haq's Bay Automobiles Ltd is one of the largest automobile retailers in Bangladesh involved in the import, sales, distribution, and service of all kinds of brand new and used automobiles, transports, construction equipment and CNG conversion equipment. The company was incorporated in 1997 under the Companies Act, and is registered with Board of Investment (at present BIDA). It also boasts the only ISO accredited service centre in the country.

Besides the automobile business, Haq's Bay is also an importer, trader and an enlisted supplier to the GoB for products ranging from water testing equipment to heavy equipment for construction with long term experiences in all kinds of supply items. Haq's Bay also works with Sharp Energy Solutions Corporation for Mega Solar projects throughout Bangladesh. It is also sole distributor of scientific equipment manufactures by Trac2o – Wagtech Projects, UK.

Brief History of the company

Haq's Bay Automobiles Ltd is a leading automobile retailer in Bangladesh involved in the import, sales, distribution, and service of all kinds of brand new and used automobiles, transports, construction equipment and CNG conversion equipment. The company was incorporated in 1997 under the Companies Act, and is registered with Board of Investment (at present BIDA). It also boasts the only ISO accredited service centre in the country.

It has 3 decades' worth of history in sales and distribution of nearly every kind of Brand New and Imported Japanese Used Vehicles with quality After Sales Service. With a substantial sales volume, Haq's Bay Automobiles Ltd. is considered one of the biggest shareholders of the automobile trade market in the country. It has 2 sales centres for motor vehicles in Dhaka and another in Chittagong. We have a spare parts dept. and two after sales service centres in the hub of the city of Dhaka.

Haq's Bay currently is the sole distributor of China Dong Feng Motor Corp. commercial vehicles and have successfully marketed the Dong Feng Truck throughout the whole of Bangladesh. It also introduced the brand new Grand Tiger Double Cabin Pickup (4x4 and 4 x 2), manufactured by ZX automobile in China, with success. Haq's Bay currently has 150+ employees who are there to take anxiety free care of the valued customers. The company is financially solvent with sufficient working capital and having substantial annual turnover.

Besides the automobile business, Haq's Bay is also an importer, trader and an enlisted supplier to the GoB for products ranging from water testing equipment to heavy equipment for construction with long term experiences in all kinds of supply items. Haq's Bay also works with Sharp Energy Solutions Corporation for Mega Solar projects throughout Bangladesh. It is also sole distributor of scientific equipment manufactures by Trac2o – Wagtech Projects, UK.

Service Centre

The workshop service facilities of Haq's Bay are comprehensive-both in terms of quality and the extent of services. It has over 1800 sq.m. of area equipped with modern service instruments, which use "state – of – the art" technology and are handled, operated and managed by highly skilled manager, supervisors and skilled workforces, many of whom have been trained both at home and abroad. In response to our ideal services Haq's Bay have been accredited with the ISO 9001:2000 Quality Management Certificate and Haq's Bay Automobiles Ltd. joined the ranks of the world's top organisations that have earned the prestigious quality management standard certification.

No single automotive trader in Bangladesh has such comprehensive workshop and support engineering facilities at one place, which will cater all the technical needs of the customers. This facility is now being considered to be expanded and optimally used for other commercial/Industrial operations, like reconditioning of automotive vehicles, using the bonded house concept. Haq's Bay is also

About the Managing Director

Mr. Abdul Haque is the Managing Director of Haq's Bay Automobiles Limited and its related concerns. He is the Director of Infrastructure Development Company Limited (IDCOL), Bangladesh – a govt. owned autonomous entity, and Director at Asia Pacific General Insurance Co. Limited. He serves the Honorary Consul, Consulate of the Republic of Djibouti in Bangladesh and has been recognized as a Commercially Important Person (CIP) four times by the Government of Bangladesh for his outstanding performance in trade and business in the country.

Besides his official titles, **Mr. Abdul Haque has been conferred the 'Order of the Rising Sun, Gold Rays with Rosette' award by His Majesty the Emperor of Japan for his outstanding services for strengthening Japan-Bangladesh relationship.** The award has been given in recognition of Mr. Abdul Haque's contribution to the national effort (beyond his business interests) in his tireless efforts to promote Bangladesh – Japan relations. The deeply cordial and friendly bilateral relations between the two countries have been, to a great degree, been fostered through his efforts. Making Bangladesh a favoured destination for Japanese FDI, greater collaboration in development efforts, have all been greatly facilitated by Mr. Haque. This award has been bestowed upon him taking for his efforts over the years.

Mr. Abdul Haque is deeply involved in different trade bodies at home and abroad. This background drove him towards building and promoting Japan-Bangladesh relationship. With a view to expedite trade and investment between Japan & Bangladesh, SHOO-KOO-KAI (The Japanese Commerce & Industry Association in Dhaka) appointed him as the Special Adviser, External Affairs. Business communities of Bangladesh elected him as the Director of Executive Committee of the Federation of Bangladesh Chambers of Commerce and Industry for six times with popular vote. He is currently Chairman of FBCCI Standing Committee relating to Ministry of Finance (Internal Resources Division).

He is the former President of Japan Bangladesh Chamber of Commerce & Industry, founder and former President of Bangladesh Reconditioned Vehicles Importers & Dealers Association, and former Co-chairman of JBCCEC. He was also member of Executive Committee of SAARC Chamber of commerce and Industry. He also served as a member of the Board of Directors of Bangladesh Road Transport Authority, Janata Bank and Teletalk Bangladesh Ltd.

He was also the elected President of Bangladesh Reconditioned Vehicles Importers and Dealers Association (BARVIDA).

Mr. Haque is also involved in many philanthropic works and voluntary services among which he is the Member of Foundation of Independent University, Bangladesh (IUB), Chairman of Foundation of Shaher Banu Ideal School & College, Barura, Comilla; Chairman of Munshi Jinnat Ali Welfare Trust and Founder of Projukti Peeth (Socio-Economic Dev. Centre), Barura, Comilla. A brief of positions held, or previously held by Mr. Abdul Haque are listed in the following page:
